Featured Speaker:
Ron Ruffner

Featured Speaker:
Christien Kopas

When:

Wednesday, January 20, 2016

Presentation:

7:00-8:30 pm

Registration and light dinner:

6:30-7:00 pm

Where:

Watersedge Dental Lab
1750 Courtwood Crescent
Suite 100
Ottawa, ON K2C 2B5

Introducing Intraoral Scanning and the CS 3500

Session Overview:

Learn how easy it is to acquire and share true color 2D and 3D images with a direct USB Connection, no trolley and an open architecture for simplified image sharing. Digital Dentistry will never be the same. Ask about our scanner rental program.

Register today! Call Watersedge Dental Lab 613-680-6016
